

Odyssey Community Compact

Alert to the interdependence of all members of the Odyssey community, and recognizing my responsibilities as an Odyssey student, I commit to contributing each and every day in a way that promotes the health and safety of all community members.

Respect for one another and **trust** in the **integrity** of our individual and collective behavior, are foundational Odyssey School values and will be critical to successfully navigating the coronavirus pandemic to keep me safe, my family safe, my friends and the entire Odyssey community safe.

I will actively do my part to limit the spread of COVID-19 by making my own health and safety and that of others a priority. I will follow all federal, state, local public health guidance and protocols. I understand that guidance and protocols will likely change, sometimes abruptly, and I agree to keep myself informed and to follow any new guidance and protocols.

Specifically, I commit to the following:

Testing and Contact Tracing

- If I show symptoms or Odyssey School otherwise requests that I am tested, I will get a test for COVID-19.
- I will participate in contact tracing as requested and I will share complete information with contact tracers about others who may be exposed.

Self-Isolation and Self-Quarantine

- If I test positive for COVID-19 and am required to isolate, or I learn that I have come into close contact with someone who has tested positive for COVID-19, I will follow Odyssey School's instructions which will include a two-week quarantine at home followed by proof of a negative test for COVID-19.
- If I have traveled out of the local area I will inform Odyssey School, and if I have traveled anywhere on an airplane I will remain in a two-week quarantine on my return.

Health and Hygiene

- I will screen myself for symptoms each morning before coming to Odyssey campus, and if I have any symptoms, I will remain at home. I will use the form provided by Odyssey. An up-to-date list of COVID-19 symptoms may be found [here](#).
- I will practice good personal hygiene consistent with public health protocols, which includes frequent hand washing for twenty seconds, frequent use of hand sanitizers, coughing into the crook of my arm, not touching my eyes, nose or mouth, and wiping down surfaces myself when arriving at and upon leaving a communal or community space, or upon the instruction of an Odyssey staff member.

- I will follow protocols Odyssey School establishes for hygiene in the use of shared bathrooms and drinking water stations.
- I will follow protocols Odyssey School establishes for physical distancing during classes, when moving between classes, lunchtime and other breaks, and during drop-off and pick-up times.
- I will follow protocols Odyssey School establishes for students being outdoors at all times and never enter the building unless given specific permission by an Odyssey staff member.
- I understand that if I fail to follow the health and hygiene requirements that I may be asked to return home.

Social Distancing, Face Coverings and other Behavioral Requirements

- I will maintain, whenever feasible, a distance of six feet between myself and any other person.
- I will wear an appropriate face mask in the car before arriving at Odyssey School campus, covering my mouth and nose, and keep such a face covering on at all times on campus.
 - The one exception for wearing a face covering is while eating, but I must maintain six feet distance while doing so.
- In addition to the one I am wearing on arrival, I will bring two spare face coverings to use during the day should one of them become damp, and I will change face coverings when instructed by an Odyssey staff member.
- I will adhere to all protocols Odyssey School establishes for in-person class attendance, which includes any off-campus classes such as PE.
- I will follow all directional signs.
- I will follow protocols for group gatherings.

Commitment to the Community Compact

I understand that I must adopt behaviors that advance our collective ability to reduce the transmission of COVID-19. I commit to doing my part and meeting my obligations to my community.

If at any point I am unable to meet the commitments I am making to my fellow community members in this compact, I understand that I will have forfeited the privilege of remaining on campus and, in order to promote health and safety, Odyssey School may take administrative action to prohibit me from participating in any in-person campus activities.
